**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

To hear about US telecom and At&t is not surprising and At the same time angering. Please save competition for smaller carriers like sonic.

Please no price hikes that will increase our internet and phone bills. It's not like these huge telecoms need assistance.

Increasingly for work and personal life living without the internet is unthinkable.

Please think over this decision that can ruin so many lives. I made it a point to not get service from companies like AT&T so to support the small guy like myself.

Sincerely,

Cliff Lee
